The selection process:

At **Magdalen Road Studios**, we use a democratic selection process via a system of voting. This is necessary as we always have far more artists looking for studios than we can accommodate. Successful applications must receive a majority vote, in favour, from our studio artists and directors. It is important to note that we do not make use of a waiting list in order to fill our studio spaces, but we do hold a database of artists looking for studio space.

About the studios:

Magdalen Road Studios was set up in August 1999 by Diana Bell and Kevin Slingsby in order to provide affordable studio space in Oxford. The Company is non-profit making and relies on sponsorship, donations and grants to support its activities.

All the artists working in the studios are graduates or artists with an art related qualification and we have a policy of encouraging young artists at the beginning of their careers.

We are interested in bringing artists from different cultural backgrounds into the studios to work and exchange ideas.

Magdalen Road Studios is a Company Limited by Guarantee registered in England and Wales. No. 3817751. Directors: Diana Bell, Sarah Simblet, Bhavani Hunniford, Philip Marston, Daniella Clark, Madi Acharya-Baskerville, Elisa Tudor
