

Magdalen Road Studios

is a company limited by guarantee, which was set up in August 1999 to provide affordable studio space in Oxford. The company is non-profit making and relies on grants, sponsorship and donations to support its activities.

There are individual spaces for 24 artists working in a wide range of media:

- sculpture
- installation
- drawing
- painting
- fashion design
- paper making
- illustration
- photography
- video
- performance
- site-specific work

We welcome enquiries from artists looking for studio space. Studio licenses are for one year, renewable annually. Short term lets are sometimes available.

Magdalen Road Studio artists are involved in exchanges, projects and exhibitions in the UK and Europe. Exchanges have included Germany, Poland, France, Romania and the Netherlands.
